At point 1 we reached the end of town and came across a makeshift pathway. Be warned of scammers and others of malicious interest
Point 3: We found a bandit camp. We took control of the camp. We downed all of them, with us having only 1 casualites.
Point 5: Narrow Canyons. When we traveled here, it was occupied by bandits. We drove them. They left a fire - more bandits?
At point 2 we encountered a group of scouting bandits; we killed two of theirs and downed the rest of them. No casualties on our side. To pass, be ready to pay 5 gold a person
At point 4 we encountered a group of armored beasts that had recently had kids. BE WARNED: Undealt with, incredibly dangerous.
