Day 1 Notes

→ Calix is here?? What the hell are they doing here?
  ↳ must follow up
→ find record of party names and descriptions in back of book (work in progress)

Mission 1: Establish a perimeter around Teakin Ley Tap
→ crystalline mudcrabs
→ something serpentine - ask if anyone knows anything more
→ gremlins getting magically healed?

* purple crystalline, crystalline prism & enamel ← find for Gideon

Mission 2: Escort Teakiri folk for element rash treatment
→ did not attend this mission
→ more gremlins - seem to be getting healed by some ambient energy?
→ heard they ran into a group of slimes that caused some trouble
  ↳ must talk to Calix about putting himself in harm's way - bad habit I'd like to break

Bo
→ lots of energy (coffee calms him down?) and incredibly fast metabolism from absorbing mana
  ↳ ask about bloodline & magical events
→ magical bloodline, parents hunted demons, mother made spells that changed bloodline
→ Leilani has static effect - follow up?
  ↖ little sister

Mission 3: Clear out dens of raiding desert gremlins
→ mounds of dirt → burrows pointing to the strongest energy (ley line)
  ↳ people say this isn't normal
→ party is marking this on a map
→ room for ~100 gremlins per burrow (x3), we fought ~60 (burrows are empty)

Lunch ——————

Mission 4: Blue Rainforest Shard
→ did not attend
→ procedure for shards:
  1. Read the magic of items and beings with the color magic of the shard to resonate with it
  2. Key to the shard by attuning to one such object (more people/spread out the better)
  3. Unweave the mana until it flows freely

(I suspect I will need to experience this to fully understand)

Mission 5: Green River Shard
→ first part seemed more successful than the first shard, but unweaving was not fully resolved - have to see what happens
→ broke for the day after this shard - much accomplished. Very tired.

Final Notes:
→ need a healer in the party
→ many magic resistant wood elves → problem. Need a diviner (or bard)
→ We are not prepared, and we are not a team yet, but we are learning

I am learning how to duel - we shall see how this goes.
