Month 4

Inn 1 - We met with Chalc'ic Xitli
Notes: they kept on complaining about humming sounds
Mission 1: I was busy and didn't seem important
Inn 2 - Met with Silluvium Zaria
Notes: the group that went to the white shard told everyone their theory that there would be a second mana surge
Mission 2: slimes

- We quickly defeated the slimes and we will request harmony to bring slime cages so we can trap the slimes

Mission 3: deal with the blue black shard

- We found a smaller blue/black shard on the way that we solved
- After that we fought some shadelings that turned many of our party members into them
- We did not have a way to heal the dead so we returned to town

Mission 4: Black/Blue shard again

- We went back out and met a person from harmony who gave us many herbs
- Once we arrived at the shard it was gone and was saw a weird rainbow in the sky

Mission 5: River of Rainbow

- It was a scape shift to the mana scape and now we're stuck here
