Hi i'm Grep

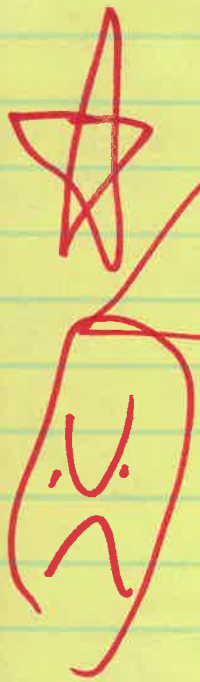

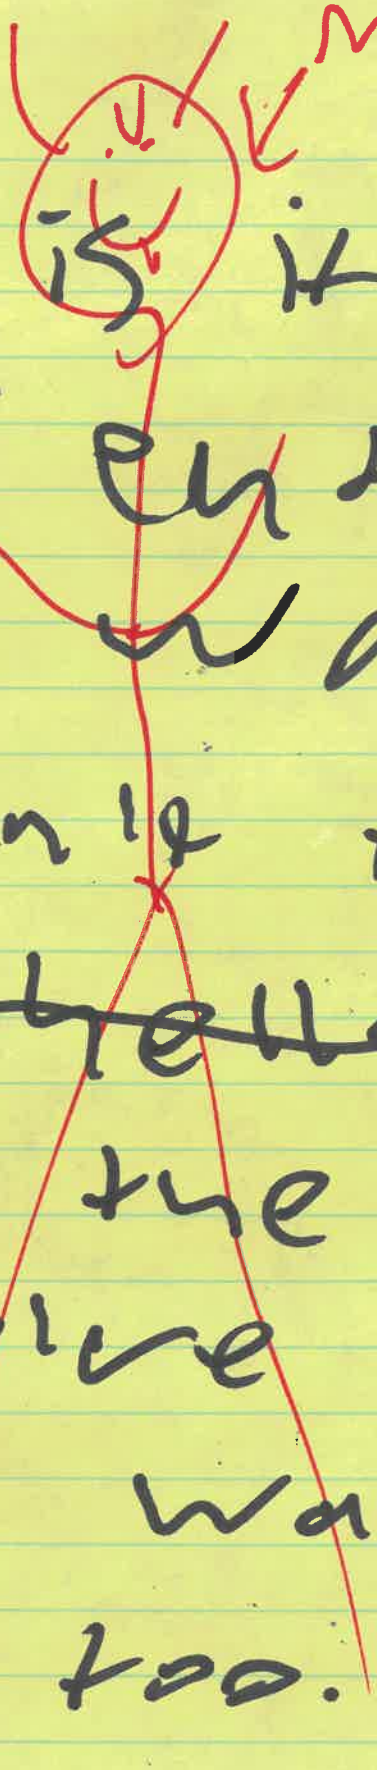

I live in Syenon. I go on ADVENTURES. It's really cool. ~~We went~~ Lon, by the way, there's like 30 of us adventurers

DIE BLOOD GUTS

We went

to the Park to
Fuckin deal
with the kids
which I'm like
whatever they
will figure it
out it's good
for them but
they probably
shouldn't be
in gangs

but is it really the end of the world!!
I don't think so it's ~~tella~~ really hard the ~~kid~~ well they're teenagers. They want money Me too. Relate.

We went to
Find guard
bodies in the
sewer and
fulker it up
OOPS. They
went back and
got 'em I didn't
go the second
time.

And we also went to the fey in the markers and big mom fey said that the boundaries are all messed up so we are gonna look into it later,
