

its wrong!

In garden, wierd rocks and gnomes, gnomes grew? so did rocks?

> a number of decaying humans, hobbits, and so on sitting on poarch chirping at those who pass

>> Fey, silver cloak black bag.

just Fey

things I heard "mind the corners"

"do you know the one who decides?"

cross roads

"we don't"

Many boundries

Icicles, blue blood

~~spit~~ Winter!

N'fighting!

Spring

gold crown

Colorful one

cloak

>> sewer, Protect; mages, toads, alligators, crabs, some people, "flys" shadow mans effects

non veins, tan, transparent

veins, tan, opaque

cats, kids in trash, cats are acting a little odd

> a park filled with odd humanoid statues. Myths?

→ man, slanted stone, hold up globe
→ three large crude swords
→ chicken running around w/ head cut off
→ Man impaled by metal spikes
→ elf w/ tower shield protecting thing
→ knight fighting lion
→ torso crawling out of ground
→ cutting open pig, look at entrails
→ two people fighting, one dead w/ metal guts

7777 fifth shawl, clensed all, escort them to cure illness, blades this time!

gnomes, burrying different articals of trash to grow garden

mirrors gnomes growing from garden

wierdly intact shirt, a kid?

> tree of life person, wearing cloak (green ect) trash we pick up, ~~ambu~~ attacked by "ears" gang

>> second tree of life follower, colorful shawl, fighter, fixing cracks and holes, thinks we will be attacked.

boots this time

777 third has sash around waist, planting bulbs, dogs (gang and animals) attack

smoking weed

777 fourth has sash around neck, feeding the intirm. hexbinders/ very lethal dreamakers
