Cockroaches All Over The Place

Its raining big fat cockroaches today

How many cockroaches

It's hard to say

A big cockroach here

A fat cockroach there

Big fat cockroaches are EVERY
WHERE!

Cockroaches underwater

Cockroaches in space

Big fat cockroaches all over the place

Cockroaches in boats

Big fat cockroaches in cowboy boots

This one is a mixed up cockroach it flaps its wings and says meow!

Oh no watch out

Don’t look now

This ones a exploding cockroach
